

# Notice to Mariners

## Rampion Offshore Wind Farm

Date of Issue: 11/05/2018

Notice Expires: Ongoing

Dear Owners, Ships Agents, Masters, Pilots and Fishermen,

### Re: Rampion Offshore Wind Farm - EON-NTM-00108-Removal of Souther Water outfall

The MV Stour will be arriving at the Southern Water outfall (West of project inshore export cable route) week commencing 14.05.18 to remove the disused outfall pipes. Operations are planned to last approximately 4 weeks weather permitting.

#### Vessel: MV Stour

Draught: 1.2 m

Length x Breadth: 27 m X 10 m

Gross Tonnage: 80

Speed recorded (Max / Average):  
13/15.5knots

Call Sign: 2EZS5

MMSI: 235089454

Flag: (GB)

Mariners are advised to give the vessel a wide berth as the vessel will be restricted in manoeuvrability whilst carrying out operations.

All vessels are requested to remain a minimum safe distance of 500m from the vessel during operations and whilst she is on location.

Vessel will be monitoring channel 16 VHF and the project P1 channel
